### Update from the Club President

Hi All

*Well as we start the new season things are looking really good with a record number of members and so many ways to get involved with the club. Ways to get involved will be outlined in our monthly newsletter but also keep an eye on social media and other communications to make sure you get the most out of your membership.*

*The committee have been working really hard behind the scenes to ensure the club looks good and there is plenty on offer for both the serious and social players among our membership group. It is hard to believe the committee are just volunteers as they give up so much of their time to make our club great. It was brilliant to win club of the year for the third time in a row last year at the Wellington Squash awards and we can be really proud of that.*

*We are currently arranging new Mana Squash gear at the moment so look out for those. This will give us some awesome new stuff to wear on and off the courts. It is always brilliant to see our club members playing in our club kit at interclub and around NZ in tournaments*

*Have a great start to the season everyone*

*Cheers*

*Gareth*
